INTRODUCTION

The **Sessional Information Digest** has been published for each parliamentary session since 1983-84. Copies of the **Digest** for 1983-84 and 1984-85 are available free of charge from the Public Information Office, House of Commons, London SW1A 0AA. From 1985-86 onwards, the **Digest** has been published by Her Majesty's Stationery Office. Subscribers to the **Weekly Information Bulletin** automatically receive copies, the price being covered by the annual subscription.

Although the **Sessional Information Digest** is in some ways a cumulation of material from the **Weekly Information Bulletin**, it is recommended that users retain their **Bulletin** files, as full bibliographical details are not given here, in order to save space. In this respect, the **Digest** forms an index and companion to the **Bulletin**, as well as providing information unavailable elsewhere.

This **Digest** contains several new sections which add to its length, as does the length of the Parliamentary Session which it seeks to detail.

I am grateful to Anne Vince for typesetting this **Digest**, to the Journal Office for providing certain unpublished data for Section A, and to all colleagues in the Public Information Office who have helped me and proof checked the information contained herein.

Put down for priority Written Answer	23,923
Put down for non-priority Written Answer	32,627

Questions appearing in Hansard, and indexed in the Parliamentary On-line Information System (POLIS)

Oral replies (including supplementaries)*	8,152
Written replies +	55,992
	<hr/>
