INTRODUCTION

The **Sessional Information Digest** has been published for each parliamentary session since 1983-84, and from 1985-86 published by Her Majesty's Stationery Office. Subscribers to the **Weekly Information Bulletin** automatically receive copies, the price being covered by the annual subscription.

Although the **Sessional Information Digest** is in some ways a cumulation of material from the **Weekly Information Bulletin**, it is recommended that users retain their **Bulletin** files, as full bibliographical details are not given here, in order to save space. In this respect, the **Digest** forms an index and companion to the **Bulletin**, as well as providing information unavailable elsewhere.

I am grateful to Mary Walsh who worked on the bulk of the text, together with Anne Vince and Barbara Donohoe, for typesetting this **Digest**, to the Journal Office for providing certain unpublished data for Section A, and to all colleagues in the Public Information Office for their forbearance and proofchecking.

We apologise for the slightly late appearance of this edition of the **Digest** which was caused by technical difficulties in typesetting.
