

## SOIA – LISTS FOR DEPARTMENTAL DEPOSITS

### Part I of 2 parts – Version 14

#### **PART I - DEPOSITS**

This version is effective from **5 June 2023**; all contact details in Part II were last amended on **8 November 2022**

The two Word documents entitled Part I – Deposits and Part II – Contact details for SO Deposits together form ‘the list’ for the purposes of Standing Order 1A. Subject as indicated in this introduction, the Tables in Part I of this list specify where deposits should be made and Part II gives the contact details for those deposits. Deposits must be made at the relevant departments/bodies listed in Part I, at the address specified in Part II *or at any alternative address set out in a written request to the promoter by the department or body.*

References to HL and HC SOs refer to the House of Lords and the House of Commons Standing Orders relating to Private Business respectively. Where no House is specified the reference is the same for both Houses.

Only one copy of any document needs to be deposited with the following bodies even if a bill triggers deposit of that document in several tables: The Environment Agency, Natural England, English Heritage, the Joint Nature Conservation Committee, the Northern Ireland Environment Agency, Historic Environment Scotland, the Scottish Environment Protection Agency, Scottish Natural Heritage, Cadw, and Natural Resources Wales. Some of the aforementioned bodies may prefer to have their deposits made at a regional office rather than to their headquarters (either will be acceptable for the purposes of the relevant Private Business Standing Order). These bodies should therefore be contacted in advance to ascertain where their deposits should be made.

Important: Electronic versions of most deposits can be made following amendments made to the Standing Orders in both Houses: House of Commons, 7 November 2017; House of Lords, 18 December 2017. **Where an electronic deposit has been authorised the method of deposit MUST be discussed with the contact before the deposit is made.**
